

# SEATING OPTIONS:

See table for which seating option will suit which craft. The plans shown here are a guide only and do NOT represent the space that will be left in every craft when the seating shown is fitted. ALL boats have a jockey console as standard.

**KEY:**

-  **JOCKEY CONSOLE:** Standard in all craft, supplied with, back rest, battery storage under seat, locker to console head, fixed seat cushion and steering. LEFT HAND throttles are standard unless you specify otherwise.
-  **JOCKEY SEAT SINGLE:** Supplied with hinged seat cushion and back rest, 50 cm length.
-  **JOCKEY SEAT DOUBLE:** Supplied with hinged seat cushion and back rest, 80 cm length.
-  **BENCH SEAT:** We have 2 options of bench seat. The larger unit is NORMALLY fitted to the 550-600-650-700 and the smaller one to the 460-500-540
-  **SIDE BY SIDE CONSOLE:** Supplied with front seat and back rest, access to storage locker under front seat via hinged seat. Console OFFSET with steering to starboard and SIDE MOUNT motor controls (where we are supplying the motor)

These are meant as a guide to the possible seating options. If what you want is not shown here please contact us. Weight distribution in the craft is important so please discuss with us your intended use before you decide on a seating option.

We offer 2 options of rear Bench seat, one with a folding back rest and the other with a fixed back rest, both include rear engine wells of different designs. These are not all the seat options rather just a guide, we also offer suspension seat options as well.
