

# XS-RIBS OPTIONS

**Standard Jockey Console**  
With hatch under seat and back rest.  
The seat cushion is bolted down and does not hinge.

**Side by Side Console**  
This has a hinged front seat, providing storage underneath.

**Jockey Seat (Single, 50cm)**  
Single back rest. Access to storage space via a hinged seat cushion.

**Jockey Seat (Double, 80cm)**  
Single back rest.  
Access to storage space via a hinged seat cushion.

**Large Bench Seat (Left)**  
Suits XS-550-600-650-700

**Small Bench Seat (Right)**  
Suits XS-460-500-540

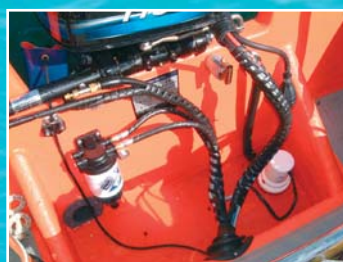

**Diving Cylinder Rack**  
Shown in 6-8 set.  
We offer this also as 4-6 set and 8-10 set.  
This unit is bolted to a double skinned section of the deck making it removable if required.

**Double Stainless Steel A-Frame**  
With optional bottle rack fitted to front.

Also shown here are the navigation lights; work light; 2 x boat box in holder and flag pole socket.

**Jockey Console Windscreen**  
We also offer a screen to suit the side by side console.

All craft have a rear well with a baler tube. Shown here in an XS-600 with optional bilge pump fitted.

The Deluxe version of the XS-550-600-650-700 come with the under deck loom, inboard fuel tank (fuel filter shown here).

This craft is also fitted with an out-board bolt lock.

**Triple Rubber Strake:** Two extra flat sections of strake above and below the main D-section. The cleat style rubber handle is also visible in this picture.

**Fire Extinguisher** in recess - fitted into seat unit.

**Single Stainless Steel A-Frame** with optional navigation lights.

A wide range of boat, motor and trailer packages with various electronics are available.

Please ask for a quotation.

**Barnet Marine Centre Limited**
