The XS 570 is the largest in this series of craft (460-500-540-570) This craft is easily powered by motors of 50-80 hp and with substantial deck space it suits a wide range of seating and carries a lot of people / kit. The Hull length makes this craft superb in the sea and like the other craft in the range it is VERY stable. The XS 570 is the work horse of many sailing clubs carrying a large number or race marks or people, ideal for family use as a lot of seating can be fitted.

XS 570

All XS craft are made in the UK, we start with a barrel of resin and a roll of fabric and make the whole boat IN HOUSE at our factory in Yorkshire. All metal work, fuel tanks, steering and fittings are sourced in the UK and are supplied to the relevant ISO standard for the item. All consoles and seating are BONDED to the deck, NOT screwed down. We pride ourselves in the quality we deliver. This is why these craft do the job and last, durability is BUILT IN.

XS – Ribs: 14 West Burrowfield, Welwyn Garden City, Herts, AL7 4TW
